THE BIRTH

... tis the end of time or

Is it the beginning?

We think we are alone, done, old and used,

But actually not.

We live by the master

magically following,

... tis this for good or

is this not?

Who is the master? Who is our master? Who is your master?

From the beginning or

In the end?

The birth of me or the death of me?

Looking deep in your well, what do you see?

Who is your master?
