## Promise Of Culture At W.U.C.

### Official Programme For Creative Arts Festival

By J. A. Scott

Music Room—8:30 p.m.  
A discussion on Creative Arts in Canada will start the proceedings. It will be Tom Patterson, founder of the Stratford Shakespearean Festival and Frederick Pohl, internationally known musician and composer and Director of the K-W Symphony Orchestra.

Music Room—8:15 p.m.  
A concert by the celebrated European musician Voldemair Lasnik will be presented. Do not miss this celebrated musician.

Theatre Auditorium—8:30 p.m.  
The K-W Symphony Orchestra will perform on the third night of the festival. It will be under the direction of Frederick Pohl. Works to be performed include selections from Camelot, the Overture to Raymond and a German theme in the style of Bach, Mozart, Brahms, Wagner, etc.

Room 208—8:00 p.m.  
A play from as near as Toronto and from as far as California . . . produced, written and acted in by students will make up a good portion of the evening.

Music Room—7:00 p.m.  
The teams from McMaster, U of W, and Ryerson go down in abject defeat to W.U.C. . . . We Hope. Give them your support!

Theatre Auditorium—8:00 p.m.  
The A Capella Choir, fresh from a tour of the Ottawa Valley and their voices will bring the festival to a close with their annual concert. A special feature will be a performance by a chamber music group composed of violin, flute, and cello.

This will be our first Creative Arts Festival. It looks good . . . support it!

Top Goal Scorer "Ted Favot"

### First Shutout

Hawks Blank Hamilton

by Sven Sheen

On February 14, the Hawks gave the Hamilton Institute of Technology a nice Valentine, a big goose egg. The hometowners completely out-classed the visitors right from the opening face-off. They peppered HIT goalie Joe Ariagna with 65 shots amazingly only 8 went in. Grant Joyner stopped 21 shots to earn the shut-out, few of them dangerous. In the first period, Joyner had to stop exactly 3 shots. In the scoring way, Jim Randle was outstanding for the Hawks, scoring two unassisted goals in the first and second periods. Both goals were scored on five individual rushes and the Hawks' captain made no mistake about putting the puck away. Terry Gilbertson also scored a fine goal in the first period on a good pass from George Belajac. Gilbertson went around the inept HIT defence and deposited the puck behind Ariagna as he swept across the goal-mouth. Other scorers were Doug Martin, George Belajac, Ted Favot, Butch McGee and Bob Cowan, who rounded out the scoring for the evening.

Six times during the evening the Hawks played shorthanded and good penalty-killing was done by Butch McGee and Harry Reynolds. McGee, one of the smoothest of the local crew, kept the Hamiltonians off balance even with a man advantage and even threatened to score a couple of times! Harry Reynolds, is not so smooth but made up for this with a lot of hustle and perseverance. HIT received two penalties.

Berle Klinck of the Woodstock Athletics took over the coaching for the evening as Charlie Brooker was working for the K-W Tigers.

### Kampus Kapers To Kill Kompetition

By J. A. Scott

Its what up front that counts!  
And its "Charley's Aunt" that will be up front at the W.L.U. Auditorium on Friday and Saturday nights at 8:00 p.m. — this week.

"Charley's Aunt" is the story of two college lads who are trying to make time with the local belles—sounds familiar, eh men. Their problem lies in trying to find an acceptable excuse to entice the young ladies in question to their apartment. All seems to be solved when the aunt of one of the men decides to visit them. (I can't see how that would solve things, but that's showbiz.) In any case she can't make it and when the fellows try to find a substitute the fun commences with a vengeance.

The cast includes Joan Bluhm, K.C. Silcox, Dave Shaw, and a host of other no less talented individuals. The dauntless Phil Schaus handles the director's chores while the ever-popular Juri Wallner will control things backstage. Earl Albrecht has done the set design. Don't miss this one!

### Prepare for Chess Challenge

On Thursday, March 7th commencing at approximately 6:00 p.m. in the Conference Room of the Student Union Building four schools will sit down to the first Intercollegiate Chess Tournament at Waterloo Lutheran University.

On hand will be delegates from the University of Waterloo, McMaster University, Waterloo Lutheran University and Ryerson Institute of Technology.

They are competing for a chess trophy and the honour of being the best. A judge, H. Verkerk, of the Central Y.M.C.A. Chess Club, Toronto, will be our chief judge. We expect the evening to be exciting, suspenseful, and a memorable one. Drop in during the evening and see how the competition is going. Results will be posted outside the Conference during the evening.

If you enjoy chess and are good (or your friends think you are) and would like to try and help our school, you can do so by getting in touch with any member of the chess club and trying out. The only requirement is a fifty cent fee which is membership in the W.U.C. Chess Club. If you are not acquainted with any of the members of the Chess Club, see Peter Hardy before March 5th.

PETER I. HARDY

### NDP Candidate Challenges Students

The New Democratic Party candidate in the April 8th Federal Election challenged students to prepare themselves for the everyday world. John Walters Sr. in speaking to a NDP meeting at W.U.C. this week said "students should prepare themselves in order that they can coordinate a world of electronics and nuclear fission with everyday life".

Mr. Walters in turning to the political field stated that the Liberals were critical of the Progressive Conservative party for a lack of responsible government but this situation is nearly impossible as the Liberals themselves are divided. In conclusion he said that should the Liberals be elected to power they would receive NDP support if in his words "presented progressive legislation".

### Ball Hawks Enter Playoffs

By Dave Freeman

The W.U.C. Hawks have completed their regular season. They now enter the O.A.A. league playoffs. The playoffs will be a four team affair. The Hawks meet O.A.C. while Waterloo and Laurentian meet in the final. The two winners will meet in a sudden death game

beat Osgoode Hall 84-58 and also the K-W Mayfairs 89-66. The hawks are now a well-balanced club with any one player able to score when the chips are down.

The hawks have changed their early season pattern of strong second halves and now tend to have a good first half while easing off somewhat in the second half. This was in evidence in all of their games with the one exception of Osgoode Hall. Against WOIT the Hawks built up a 10 point half time lead, increased it to 16 with 5 minutes to go and then had to hold off a last minute rally by WOIT to squeeze by 74-69. Leading the Hawks in this game was Bob Turner with 16. Against Osgoode Hall the Hawks got in front early and were never in trouble in a foul-ridden game in which 65 fouls were called. Court Heinbuck notched the high single game total for a Hawk player this year by pouring in 26 points in a fine display of shooting. Carry Cuff ably supported him with 19.

Against the K-W Mayfairs the Hawks again built up a substantial first half advantage and then coasted to victory. Court Heinbuck again lead the scores with 23 points.

The toughest game for the Hawks was against the Pioneers. The Hawks held an 11-point half-time lead but had to hold off a strong second half comeback by the Pioneers to edge them 67-65 and thereby sweep the league home and home series with them. W.U.C. building up an early 20-3 advantage were in complete command in the first half, and lead at the half 34-23. Bob Woodburn and John Lewis paced the Hawks in that first half with fine shooting and a good floor game. The Pioneers came battling back and twice came within one point but they just

See B-BALL page 2

Basketball Star "John Lewis"

for the league championship. Dates for the playoffs have yet to be announced; watch for further notices in the Torque Room for the time and place of the games.

To reach the playoffs the Hawks must win their final three league games without too much difficulty. They earned their late season surge by beating WOIT 74-69. They then went to defeat over H.I.T. as H.I.T. could not field a team. They finally beat U. of Waterloo Pioneers 67-65. The playoffs between the league games were two exhibition games which the Hawks also won. They

# Editorial Comment

"No ruler, no government, and no institution is too powerful to rise above constructive criticism."

The student body will have the opportunity to vote for the executive members of the 1963-64 Students Council on Thursday March 7th. It would be somewhat of an understatement if I were to pleasantly encourage each student to exercise his franchise. It is your duty to vote if we are to have an active Students Council, one which is genuinely and vitally concerned with all the interests and problems in the realm of student affairs.

The constitution of Students Council states that one of its objectives is "to represent and promote the general interests of the students." Because of various unfortunate happenings at the university this year, Council has not devoted enough of their time to all our interests. Many meetings have centred on the topic; "Chapel attendance must be improved." A great deal of discussion centred on "channels of communication" and "constitutions". Council may have felt that these topics were of prime importance, but these are not the only matters which concern the student body as a whole. There was poor attendance at many athletic games and dances. I recommend that the next Council give these problems their serious consideration.

The Students Council of 1963-64 must be concerned . . . . The executive must consist of people who will "act as a bond of union and means of communication between students and administration, faculty, Council on Student Affairs, and the Alumni Association" . . . as well as present and promote the general interests of the students . . . Think, then Vote . . . . AND THAT IS MY OPINION. mjm

## Sports News and Views *by Murray Ross*

As the B-Ball Hawks flew to easy victories, our Hockey Hawks ran into some rather stout opposition on the 18th, when they took on the Ryerson Rams. The final score was 5-1, and not in our favour. However, our team is better than the 5-1 tally indicates. In fact I think we deserved at least two more goals in that game and would have upped our total if it had not been for the fact that we couldn't hit the net.

The officials handling of the game also left a good deal to be desired. At times indecisive and sometimes over eager the boys in the striped shirts invoked the wrath of both sides. The game got out of hand, in the final period. The last ten minutes were spent trouble shooting on the part of our Hawks, who by this time were more intrigued by the prospect of flattening a Ram, than they were in playing hockey.

Looking at basketball we find ourselves in the playoffs with a good chance to add another championship to the College's growing list.

News for the footballers in the crowd. The College has been accepted into a new league, The Canadian Intercollegiate Football Association. The Teams are: W.U.C., U. of W., O.A.C., McMaster, R.M.C., Loyola University of Montreal, the U. of Ottawa and Carleton. In all probability we shall have three home games and four away in the first season.

The Athletic Department is also planning another surprise for the guys with spiked feet, we take on Hillsdale College in Michigan for an exhibition early in the season. The game will be played under half Canadian rules and half American. A note on Hillsdale, six of their seniors signed pro-contracts last fall!

## WUC Wins Curling Spiel

Saturday, February 23rd, the W. U.C. Curling team travelled to Sudbury for the Ontario Inter-collegiate Bonsel. The rink, composed of: Lead, Ted Butcher, 2nd, Jim Westell, 3rd, John Dick, and skip Ian McTavish faced stiff competition in the two day spiel. Teams from Guelph, HIT, McMaster, Ryerson, Osgoode Hall, Laurentian and U. of W. entered. After three rounds of play, only U. of W. and W.U.C. remained undefeated. In the final game the College team jumped into an early lead, and then curled to a decisive 9-3 victory over the defending champion Plumbers.

## Campus Bowling

In five pin bowling few people have excelled in their scores. Don MacKinnon established a new men's single with 339. In ladies' single, Helen Rainey with 304 and Ruth Hinton with 285 are the top scores.

In ten pin bowling, there is an inter-university bowling tournament at Hamilton, this coming Saturday. Ten Bowlers will be sent from WUC to compete against the University of Toronto, McMaster, O.A.C. and Ryerson. All students are encouraged to attend. Chuck Juryn
